Meet MeBeBot
Your Intelligent Assistant

MeBeBot is a powerful, yet easy-to-use **AI Platform,** to give your employees accurate and consistent answers to their needs, when they need it.

By using your company's own content, MeBeBot's **AI Powered Search** finds relevant documents and our **AI Assistant** provides instant, trusted answers to your employees' questions wherever they are working - in **Microsoft Teams**, **Slack**, **WebChat**, or even via **SMS**.

We are the turn-key AI solution for mid-sized companies, delivering a **quick time-to-value** with an affordable solution- without a complex setup.

**99%** Customer Satisfaction   **82%** Return on Investment   **93%** Accuracy Rate

"At Mozilla, we believe in using AI responsibly, not just because it's powerful, but because it's practical and people-centered.

That's why we've implemented the MeBeBot AI chatbot, a smart, privacy-conscious solution that's already transforming how our teams work."

Debra Ingram | Mozilla

Why Choose MeBeBot?

Boost Productivity
Dramatically reduce the time employees spend searching for information and slash internal support tickets by **70-80%**.

Improve the Employee Experience
Provide **24/7, instant support** for your global teams, whether they're in the office or working remotely.

Ensure Accuracy You Control
MeBeBot uses your company's documents and knowledge to provide trusted answers, with a human-verified approval process to ensure over **93% accuracy**.

Gain Actionable Insights
With **real-time usage data**, you can understand your employees' needs instantly and gather valuable feedback with quick AI pulse surveys.

Be Proactive, Not Reactive
Use push messaging to send targeted reminders and updates to specific teams or your entire workforce, **keeping everyone in the loop.**

Your Command Center for Intelligent AI Automation

AI Support
The heart of MeBeBot. Our AI finds relevant company content and provides instant, accurate answers to employee questions, right where they're asked.

AI Notifications
Send personalized messages and reminders directly in Slack or Teams to individuals or groups, perfect for events, deadlines, and company announcements.

AI Sentiment
Gather quick employee feedback through interactive messages and surveys to understand their needs and sentiment in real-time.

AI Insights
Get a clear view of your employees' needs with a real-time dashboard of usage data. Filter by topic, time, or location to discover trends and identify knowledge gaps.

Launch in 4 Simple Steps
We make it easy to get started and see value fast.

1
Search and Scan
MeBeBot's AI searches and ingests or scans your company documents and knowledge articles.

2
Suggest
Our AI Wizard automatically suggests questions and answers based on your content.

3
Edit
You easily edit and refine the answers in our user-friendly knowledge base.

4
Approve
Your team gives the final approval, ensuring every answer is accurate and verified.

Secure, Compliant, and Integrated

MeBeBot is built for the enterprise with a focus on security. We are SOC 2, Type 2 Certified and adhere to GDPR, EU AI Act, and US AI Regulations. We integrate seamlessly with the tools you already use.
